Zhangmutou Town, Dongguan, Guangdong, China.

### User Manual

Thank you for purchasing imuto product. For optimum performance and safety, please read this user manual carefully before operating the product. Please keep this user manual for future reference.

## Product overview

## Digi-Power Technology

Unique smart digital display technology, showing exact remaining power in digital format.

## Power Delivery 2.0 Technology

The combination of USB Type-C and USB PD 2.0 is the best quick charge solution at present. Compatible with different voltage devices from 5V, 9V, 12V, 15V, 20V, it supports bi-directional fast charging and USB-PD digital communication protocol. It can charge any mobile phones, tablets and laptops within 100W.

## iM-Power Technology

1. Exclusive intelligent charging technology specially for iPhone, providing charging speed up to 200% compared with original charger.
2. Automatically identifies charging devices, providing optimal current to charge faster and safer.

## Charge Times

iPhone X  
6.3 times

iPhone 8  
9.3 times

iPad Pro 9.7  
2.3 times

iPad Mini 4  
3.3 times

Galaxy S8  
5.7 times

## Features

1. Ultra-compact design: optimum size integrated 27000mAh capacity PD 2.0 power bank
2. Excellent functional design: USB-C PD2.0 45(Max) input/output , 2\*USB 5V/2.4A output, supports to charging three different devices simultaneously.
3. High capacity and top quality: 27000mAh capacity, quality guaranteed with build-in A-Class Li-Polymer batteries, safer to use.
4. Digi-Power technology: show exactly remaining power in digital format.
5. iM-Power technology: detect your device intelligently and delivers the faster charge.
6. Multiple smart protection system: keep your devices safe from over-charging, over-voltage, over-current, and short circuit.

## Specification

Model: X6SPD

Battery Type: Li-Polymer Battery

Capacity: 27000 mAh / 99.9 Wh

Input: USB-C PD 2.0 5V-20V 45 (Max)

Output: Total 45W (Max)

USB-C PD 2.0 (5V / 3A, 9 / 3A, 12V / 3A, 15V / 3A, 20V / 2.25A)  
45W (Max); USB1 5V / 2.4A; USB2 5V / 2.4A

Color: Black & Golden

Size: 130.8×77.8×21.8mm

Weight: 618 ± 10g

Operating temperature: 0 C ~ +40 C

## How to use X6SPD

1. Turn On: Press power button, the LED digital screen will show remaining power once it has been started successfully (With load, Type-C port could automatically identify and connect your devices).
2. Turn Off: If X6SPD is not connected any devices in 5 seconds, it's LED digital screen will off and the power output will shut down automatically in 45 seconds.

- Notes:**
1. When the connected device is charging the power bank instead of get charge from it, you can press the power button and hold 3 seconds will force X6SPD to charge the device.
  2. Please use original or imuto's charging cable for recharge.

- It is normal that X6SPD gets a little warm when multi-device are charging at the same time.
- If your device's battery runs out, the charging speed may get slower because of the battery self-protection.

### ■ How to charge X6SPD

- Charge by computer or certified adapter.
- The LED digital screen flashes and shows the percentage of remaining power when the power bank is charging,
- While the LED digital screen shows "100" and stop flashing means the power bank has been fully charged.

**Note:**

- For fast charging X6SPD, please use a imuto power delivery 2.0 USB charger and USB-C 3.0 cable.
- Incorrect operation will cause short circuit protection, please charge the X6SPD to unlock the shortcut protection.
- The LED digital screen only show recharging status while recharging the power bank and charging devices happen at the same time.

### ■ How to charge your device

- Connect your device to X6SPD's output port using original USB cable or a certified cable.
- Turn on the power bank.
- Disconnect your device once fully charged.

### ■ What's in the Box

X6SPD Power bank \*1  
 USB to USB-C cable \*1  
 User Manual \*1  
 Feedback card \*1  
 Travel Waterproof Pouch \*1

### ■ Warranty

18 months warranty starts on purchase date, excluding accessories. Warranty expired automatically with damage(s) caused by inappropriate use and/or force majeure.

24 hours email customer support  
 support@imuto.com  
 www.imuto.com

### ■ Warning
