6.3 times

LG V30  
5.7 times

Google Pixel 2  
7 times

## Features

1. Ultra compact design: optimum size with 27000mAh capacity.
2. Digi-Power Technology: shows exactly remaining power in digital format.
3. High capacity and top quality: 27000mAh capacity with build-in A-Class Li-Polymer batteries. The quality is guaranteed and makes the power bank safer to use.
4. iM-Power Technology: detects your device intelligently and delivers the faster charge.
5. Compatibility: fits for almost all USB-powered devices.
6. Super functional design: 3\*USB 5V/3.4A (Max.), 3 USB ports charge 3 devices at the same time.
7. Multiple Smart Protection System: keeps your devices safe from over-charging, over-voltage, over-current, and short circuit.

## Specification

Model: Taurus X6S

Battery Type: Li-Polymer

Capacity: 27000mAh/99.9Wh

Input: Micro USB 5V/2.1A (Max.)

Output: 3\*USB 5V/1-3.4A (Max.)

Color: White & Red, Black & Gold

Size: 6.69 x 3.4 x 1.18 inches

Weight: 21.48 ± 0.35 oz

## How to use X6S

1. Turn on: Press power button shortly. Digital screen will start showing remaining power once it has been started successfully.
2. Turn off: X6S will turn off indicator light automatically when remained idle for 5+ sec and completely shut down when remained idle for 40+ sec.

- Notes:**
1. Please use original or imuto's charging cable for recharge.
  2. It is normal that X6S gets a little warm when multi-devices are charging at the same time.
  3. If your device's battery runs out, the charging speed may get slower because of the battery self-protection.

### ■ How to charge X6S

1. Charge by computer or certified adapter.
2. Smart digital screen flashes and shows the percentage of remaining power when the power bank is charging.
3. The screen stops flash and shows "100%" when fully charged.

**Note:** The digital screen flashes while recharging the power bank and charging devices at the same time.

### ■ How to charge your device

1. Use your device's original cable or imuto cable to connect your device to USB port of this power bank.
2. Turn on the power bank.
3. Disconnect your device when it gets fully charged.

### ■ What's in the Box

1. Power Bank \*1
2. Pouch \*1
3. User Manual \*1
4. Micro USB Cable \*1

### ■ Warranty

18 months warranty starts on purchase date, excluding accessories.  
Warranty expired automatically with damage(s) caused by inappropriate use and/or force majeure.

24 hours email customer support  
support@imuto.com  
www.imuto.com

### ■ Warning

Inappropriate use could damage product and cause potential safety concerns to both human and property.

### ■ Caution

Use original or certified cables.

Do not disassemble or repair it by yourself.

Avoid lightning strikes, knocking and dropping.

Avoid extreme temperatures.

Do not expose to water or chemicals.

Please charge fully every 4 months to extend the battery life.
